Meet Some of Our Tutors...

"Hi, my name is Amy. I am a teacher by profession, and I have been teaching Math for more than ten years now. I have taught high school students in public schools here in the Philippines and in the United States."

~Amy (Philippines)

"Hi, my name is Rushion Hales. I am a teacher by profession and a mathematics enthusiast."

~Rushion (Jamaica)

"My name is Micah Silverman. I am a senior chemical engineering student at Florida State University. I started tutoring back in high school, where I was tutoring chair for our school's honor society."

~Micah (Florida, USA)
